1. Who can see the handwriting on the wall for the way things have been?

2. Who can see the see the sun rising in the east and setting in the west, not as thought but in the reality of what the east is and the west is and who can see north from south and what four corners of the earth (1) are for? I love you. You will.

3. You see the kingdom of heaven increasingly and I will make known to you all manner of kindness and flowing of honey, my **word-voice, voice-word**, to the nations of which you take my message/knowing of the/my kingdom now. This is the moment, this is the hour, the minute hand has stopped but resumes and gains and never stops. Watch me.

4. I love you man of kings, king of man not but king of kings telling/showing all that they are, in surrender to the kingdom/king of kings. Thou art a priest in the order of Melchizedek and Melchizedeking my priesthood you are, far and near, afar and farther than afar can be imagined, all in/within me, my kingdom.

5. Thou art a priest Melchizedeking the Melchizedeks that have lost their way, their thinking demised by thought, biting apples and who can see the now that now is/was then, is now? I love you.

6. Increasingly I love you. I never stop. My love for my bride increases and who can see the handwriting on the walls for all else? There is none else. They/it does not exist and **this is part of your message of my kingdom**, stands and standing you stand. I love you.

7. All is/are in my hand. Every circumstance/perception is in my kingdom, and no one/nothing will stop the hand that now moves to increase/reveal my kingdom. For such a time as this you were born. This is your moment/birth. All await my/our arrival. There is ten months and then the harvest, not; now is, now is, it is, now is. I love you.

8. Me.

9. Think not I haven't provision for your taxes. Am I a king/pauper?
I have all in my storehouse/presence.

10. Thou art ready.
Move when I say move, not until.
Thou art ready.
My voice comes forth, rocks the nations.

11. I am Melchizedek and I reign in horror/terror for some and peace for/in others.
Thou art me. Me art thou. We are all surrendered.
I in thee, thou art in me, in father we are one.
One'd now leads all one'd not but in surrender show/leads all in meekness/surrendered love. I love you all.

12. All things are ready. They, the feast, do come. To the feast they come, by droves.
Driving not, but in/by camel trains of only me. See.

13. See me in the sands of time not, throughout them/it all.
I am time/the beginning/the end.
I am now.
You are me.
Shrink not back from the foreclosures, shouts of. I am me/all-provision.
I am debt free. I am me.
For/in such a time you come forth.
All chaos awaits my words.
I am peace/one.

14. Go/sleep in peace. Peace.
Peace.

Me
